

TOWN OF BROADWAY

Broadway Cemetery Burial Policy & Procedures

No grave may be opened, and no burial may take place in a town cemetery except by a licensed funeral director or designated employees under the supervision of the town.

The town shall be notified at least one workday in advance of any funeral for which a grave will be opened. Graves must be marked ahead of time by the town. The town will not mark graves on weekends. Residents should not contact the town to mark gravesites or monuments. Funeral homes and monument companies are responsible for making these arrangements.

No grave will be opened less than 4 feet from the top except for cremations. All graves must be level with surrounding areas. Each burial plot is limited to one of the following:

- The interment of one human body.
- The interment of one human body and one cremation urn.
- The interment of no more than two cremation urns.
- All caskets are required to be placed inside a vault.
